I love the drummer. But I couldn't see him well because there were so many people. After the concert, I bought the band's T-shirt. We got home at ten o'clock, but I wasn't tired. I took many pictures, so I'll send some to you next week.

Mana said "Ken, please help me." Ken asked "OK. I put cheese and tomato on the pizza, right?" They baked three pizzas in an oven. The first one was seafood pizza and the second one was meat and potato pizza. Ken baked the third one by himself.

Her grandmother arrived at home around five thirty and the party started one hour later. "Oh. What does this pizza have inside?" After eating the pizza, her grandmother was surprised and asked.
